

PRESIDENT'S MESSAGE

Dear Southerner,

It is indeed an honour to be the president of the Rotary Club of Madras South. We had a wonderful installation and I profusely thank all the members of RCMS.

I would like to congratulate all my board members whose enthusiasm, commitment and confidence in each other bring great positivity. My team and I promise to do our best to fulfil the trust placed on us.

Rotary in India is doing wonderfully well in terms of membership and the Rotary members have used their passion, perseverance and energy to do sustainable projects.

It has taken Rotary International 116 years for this watershed moment. Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has become Rotary International's president for 2022-23.

Jennifer E. Jones believes in (DEI) Diversity, Equity and Inclusion which begin at the top. Our Rotary club is already following this.

“Her two main prerogatives”

1. to increase the growth in female membership and which is almost 15 percent in our club
2. to increase membership under the age of 40. We have been investing more in younger members in the last couple of years.

Some of our club's activities this year:

1. Adding new members will be our priority.
2. Enhance our fellowship, “extensively”

RAISING THE BAR OF SERVICE TO THE UNDERPRIVILEGED - PCKG GOVT SCHOOL PROJECT

An MOU was signed with ACSYS Investments P Ltd on 28th June during the Installation event by President Jawahar Nichani and Mr Lakshminarayanan, CFO of ACSYS. A cheque for Rs 13.25 lakh was also handed over to President Nichani to launch the PCKG Government School Project during the current Rotary year. With this project, we are raising the bar of service provided to underprivileged school children. This ambitious project was originally proposed by Rtn V Shankar (who presented the details at our club's weekly meeting on 21st June), as a long-term project for the overall development of students in the government schools in and around Chennai.

The main objectives of the program are:

- * Strengthen students and improve academic performance and pass percentages.
- * Provide all-rounded inputs to increase exposure and awareness.
- * Bring about changes in attitudes and behaviours.
- * Sensitise parents and caregivers and increase their involvement/support of students' education.
- * Create an enabling school environment.

We also intend to improve the school's infrastructure by upgrading the laboratories, noon meal kitchen and toilets.

The project will be implemented by NGO Kalanjyam, which specialises in providing such interventions in government schools. Watch this space for more details on this project in the forthcoming issues of The Southerner.

MAKING ELDERLY HAPPY

On Sunday, June 19, a group of 10 Southerners entertained the inmates of an old age home run by the Akshaya Trust at Mudichur with medleys from yesteryear Tamil movies. Some inmates were also gifted table fans. Rtn. Prakash and his spouse Ann Jayashree sponsored the lunch for the residents. It was very satisfying for those present to see the senior inmates happy and smiling all through the afternoon.

RTN SUJEESH HOSTS A FIRESIDE

Rtn Sujeesh and Ann Sunitha hosted a grand fireside at their home on 18th June. Around six Southerner families participated. The couple, known for being great hosts, take all efforts to entertain and make their guests feel comfortable. We have seen it at the fellowships at their beach side bungalow in the past. This fireside too was no exception and proved to be a validation of the couple's hospitality.
