DEVELOPMENT**

ENVIRONMENT

PRESIDENT'S DESK...

*Dear Members,
Rotary Greetings!*

We are passing through a difficult time.

We are facing a unique problem that is active to harm humanity as a whole.

Our lives are threatened.

The solution to the problem has to be found for the entire humanity irrespective of its geographical and other divisions.

This is the time to UNITE. This is the time to SERVE. This is the time to CHANGE.

Forget every division; open your hearts to serve humanity but above all, the time has come for us to CHANGE.

The theme for the year is SERVE TO CHANGE LIVES.

The world has learnt its lesson from the pandemic.

If we don't change, the existence of entire humanity is at risk.

We have to change our lifestyle, our thinking, our behavior and emerge victorious.

We have to change individually and at the same time globally.

Our RI President Shekhar-Da has very aptly said

**TOGETHER, WE SEE A WORLD
WHERE PEOPLE UNITE AND TAKE ACTION
TO CREATE LASTING
CHANGE ACROSS THE GLOBE,
IN OUR COMMUNITIES,
AND IN OURSELVES.**

Rotary teaches us of SERVICE ABOVE SELF.

Let us be more helpful to each other and serve the needy too.

I have full faith in Rotary and its members, I am sure that we will all unite and rise to the occasion.
